

What I Know About Robots

Name \_\_\_\_\_ Date \_\_\_\_\_

You and your team just built several robots that sense and act. Draw a sketch of one of your robots and use these words to label your drawing. You may also add other words of your choice on your drawing.

Sense   Act   Input   Output   Behavior   Battery

What is input? What is output?

If a Cubelet is behaving in a certain way, for example moving forward, what do you think is causing it to behave in that manner?
